I would like to invite everyone that is interested to our August bench rest match held on the 29th of August 2015. All rifles are welcome but awards will be given out to Factory Varmint rifles only. As far as we are concerned any rifle is a varmint rifle as long as it came from the factory it meets the requirements. No barrel jobs or aftermarket triggers will be eligible for an award. Any power scope is eligible. The Savage rifles with accu-trigger have an advantage here. There will be some people with bench rest rifles but they are not eligible for an award. Sign in around 9 am, match starts at 10 am and should be done about 2 pm. Cost is \$10.00.

Come out and make some new friends and have some fun
