Announcements

Election of officers and 2 board members for 2006: It's that time of year again we need volunteers willing to serve in the operation of the club. All officers are up for re-election and 2 board members. If no one steps forward the club may not be able to function. With over 300 members we need at least 6 that are willing to help run the club next year 2006. Some positions only require a few hours a month and you will be able to help in the direction of the club. Please come to the January meeting and step forward to help.

Orientation: The orientation training program is on going; classes are held after the monthly meeting and typically take between 30 and 45 minutes. The orientation provides information about the range usage and rules. **It is mandatory that all members complete the orientation/training prior to April 1 2006.** After that date, members that have not completed the orientation will not be given the combination to the range. For those members that cannot attend the Thursday night meetings please contact the one of the officers so we can arrange for an alternative training date. Please do not wait until next April to decide you cannot attend and need a special training class. If you would like to help with the training please let one of the officers know.

We have lost our web master so until we find a new volunteer it may not be updated. Please step forward and help fill that function.

We are looking for volunteers to help organize a High Power Match in 2006. Those interested in helping or participation contact Pat King 544-2174
