Announcements

- **Do Not** give out the gate combination to friends or relatives and do not “short lock” the gate lock. **You** are responsible for safety and cleanliness at the range. **Read and follow the rules.** The continuation of our ability to have a place to shoot depends on it.
- **If your phone number or e-mail has changed please contact Bill High so that he may update his records. This is important if you want to be notified of meetings and special events.**
- **Range modifications have been completed. The pistol area has moved to the East end next to the shotgun range. The High Power range is now at the West end and has been extended to 200yds. All other berms have been reworked and raised.**
- **Members at the Range that witness an incident must fill out an Incident Report to make the “self policing” system work.**
- **Be sure unfired (dud) ammo is put in the proper container (dud box) and not in the garbage can.**

Safety Rules: Remember!! DO NOT HANDLE FIREARMS when the range is in the cold condition and people are down range.
