# Tri-Cities Metallic Silhouette Association
## RANGE USAGE AGREEMENT

THIS AGREEMENT, Made this _____ day of _____ , _____ . at_____ in the State of Washington. By the ***Tri-Cities Metallic Silhouette Association*** (TCMSA) and _____ hereby referred to as the Grantee.

WITNESSETH: That, in consideration of mutual covenants and agreements, to be kept and performed by the said parties hereto, as hereinafter stated:

- The name, address, and phone number(s) of the Grantee's representative(s) and Range Officer will be provided to the TCMSA.
- The Grantee's representative(s) will provide the TCMSA with a written schedule of range usage dates not to exceed one day per month for approval. Approval for the dates will not be withheld unless the dates conflict with previously scheduled events.
- The Grantee's range usage dates will be published in the TCMSA newsletter.
- The TCMSA will not be held liable for the actions of any Grantee's representative(s), Range Officer, instructor(s), or participant(s). Legal proof of liability coverage for the Grantee's group(s) shall be submitted at the time this agreement is signed and accepted by the TCMSA. If proof of insurance coverage is not provided the Grantee's group(s) will not use the TCMSA ranges.
- The Grantee's representative(s), Range Officer, instructor(s), and participant(s) must comply with all applicable State and Federal laws.
- The Grantee's group(s) will also provide a current copy of their safety rules at the time this agreement is signed and accepted by the TCMSA. If the Grantee's group(s) do not have esablished safety rules the Grantee's group(s) shall comply with the TCMSA range rules. The current range rules will be provided at the time this agreement is signed and accepted by the TCMSA.
- The main gate to the range may be left open while the Grantee's event is being conducted. The gate must be closed and locked at the conclusion of the event.
- All guest vehicles are restricted to the established parking areas behind the firing line. Designated service vehicles may use the established roads to set up and retrieve targets.
- The Grantee's group(s) will be responsible for damages incured during their event. A Range Condition Inspection Report will be used to document existing conditions. All garbage generated during the Grantee's event must be removed at the conclusion of the event.
- TCMSA members may utilize the unused portion(s) of the range while the Grantee's event is in progress.
- All shooting during a scheduled event is under control of the Grantee's provided Range Officer.
- The Range Officer shall be denoted in such a way that all individuals using the range will be able to identify the Range Officer.

And for the true and faithful performance of all and several convenants and agreements herein mentioned the grantee is bound by a deposit of _____ Dollars ($_____), of the United States of America, as fixed, settled and liquidated damages to be paid by the grantee for failing to keep all stated agreements.

IN WITNESS WHEREOF, the said parties have hereunto set their hands and seals the day and year first above written and to remain in force for a period not to exceed one year..
